ARTICLE 16.000 – GRIEVANCE PROCEDURE

16.100 Definition

- 16.101 (a)** A grievance shall be defined as any "difference" between the parties to this Agreement with respect to its interpretation, application, operation or any alleged violation thereof, including discharge for cause alleged to be unjust by the Union. Discharge shall not include layoff of employees for reasons of project efficiency or reduction of forces on suspension or completion of work.
- (b)** The party initiating a grievance shall be referred to herein as the aggrieved

party. The other party shall be referred to as the responding party.

16.102 The two (2) parties to any formal grievance shall be the two (2) parties' signatory to this Agreement, namely the Union and CLR (acting on its own behalf and/or on behalf of its respective signatory member Employers).

16.200 Time Limits

16.201 In order to initiate a formal grievance, the aggrieved party must provide written notification to the responding party within thirty (30) calendar days of the date on which the underlying "difference" is alleged to have occurred. Such notification shall include all relevant particulars of the formal grievance and all relevant and reliance documentation. The Parties expressly agree that a formal grievance shall not be deemed to have been initiated unless/until the responding party has actually received a copy of the required written notification from the aggrieved party. All time limits shall be strictly enforced.

16.202 Notwithstanding Article 16.201, in the event of an alleged error on a pay cheque, such "difference" shall be deemed to have occurred on the date the pay cheque stub was received by the aggrieved employee(s). Likewise, in the event of an alleged error on the Employer's Monthly Remittance Report, such "difference" shall be deemed to have occurred on the date the remittance report was received by the Union.

16.203 Notwithstanding Articles 16.201 and 16.202, there shall be no time limit restriction on a grievance initiated in respect of a wage claim.

16.300 Step 1 (Informal Resolution)

Once a formal grievance has been initiated, the parties shall make a concerted good faith effort to work out a mutually agreeable resolution. Unless otherwise mutually agreed by the parties in writing, the aggrieved party shall be deemed to have abandoned the formal grievance in the event notice of referral to the Arbitrator (in accordance with Article 16.400) has not been received by the responding party within sixty (60) calendar days of the date on which the underlying "difference" is alleged to have occurred. Refer to Article 16.2202 for clarification on the interpretation of "occurred".

16.400 Step 2 (Formal Resolution)

The parties expressly agree that the Step 2 is an integral component of the Grievance Procedure in accordance with this Agreement.

If the Parties are unable to work out a mutually agreeable resolution in accordance with Article 16.300, either party may refer the formal grievance to the Arbitrator for final and conclusive determination as follows. Notice of such referral shall be provided, in writing, to both the responding party and the Arbitrator. In the event the Arbitrator is not available to the Parties, the parties shall mutually agree upon a replacement. (Note: the parties expressly agree that all references to the Arbitrator within Article 16.000 shall be interpreted as "the Arbitrator or their replacement" in the event a replacement for the Arbitrator is mutually agreed upon in

accordance with such Article.)

16.401 The Arbitrator shall meet with the parties and shall attempt to facilitate a mutually agreeable resolution.

16.402 (a) In the event the Arbitrator is unable to facilitate a mutually agreeable resolution in accordance with Article 16.401, each party shall be required to submit a proposed determination/award, in writing, to the Arbitrator. The Arbitrator shall determine their own procedure, including timing, for such submission. Upon receipt of both proposed determinations/awards, the Arbitrator shall provide a copy to each party.

(b) The Arbitrator shall consider the relative merits of each of the proposed determinations/awards and shall select one (1) of the proposed determinations/awards in its entirety, and may not impose any alternative and/or modified determination/award without the prior mutual agreement of the parties.

(c) The Arbitrator shall provide a summary of the reasons for their decision within their award.

16.403 The Arbitrator shall have and may exercise all powers of a mediator/arbitrator pursuant to the Labour Relations Code.

16.404 The Parties may mutually agree, in writing, to any other grievance resolution procedure which they agree is appropriate under the circumstances.

16.500 Expenses

Each party shall be responsible for one hundred percent (100%) of any/all "party specific" costs and fifty percent (50%) of any/all "joint" costs, which may be incurred during the informal and formal grievance resolution process.

16.600 Additional Provision

If the Parties are unable to resolve a dispute within ten (10) working days of a formal grievance being filed, then the dispute shall be referred to a three-person arbitration panel. One panel representative shall be appointed by the Employer, and one panel representative shall be appointed by the Union, and the Panel Chair shall be one of the following two pre-selected Arbitrators: Mr. Vince Ready and Mr. Ken Saunders. In the event of the unavailability of any or all of those two (2) named individuals, the Labour Relations Board will be requested to appoint an Arbitrator as needed. All appointments shall be made within five (5) working days of the dispute being referred to the panel, and the Parties shall use whichever pre-selected Arbitrator is available first. Such process shall apply on all unresolved disputes.

ARTICLE 17.000 – EXTENT OF AGREEMENT

17.100 Trade Jurisdiction and Scope of Work

17.101 This Agreement shall govern work performed on Commercial/Institutional Construction projects only.

17.102 Notwithstanding Appendix "D", the Scope of Work of the Union shall include such trade jurisdiction as is determined by the Jurisdictional Assignment Plan.

17.200 Geographical Jurisdiction

This Agreement shall be applicable in the province of British Columbia.

17.300 More Favourable Terms

If the Union enters into any Agreement other than this Agreement, with any individual Employer and/or group of Employers performing work covered by the terms of this Agreement, and such other Agreement provides for wages and/or any other terms and/or conditions, in whole or in part, which the Employers signatory to this Agreement consider to be more favourable, such wages and/or terms and/or conditions shall automatically become part of this Agreement, and shall replace, as required, any/all corresponding provisions of this Agreement. CLR shall notify the Union, in writing, prior to any Employer(s) implementing such more favourable wages and/or terms and/or conditions.

17.400 Other Agreements Governing Scope of Work**17.401 Copies of Agreement(s)**

- (a) The Union shall provide CLR with a true and complete copy of any Agreement, other than this Agreement, which the Union may enter into with an individual Employer or group of Employers, regardless of whether or not such Employer(s) is/are themselves a member of CLR. The Union shall also provide CLR with a list of all Employers signatory to such other Agreement(s).
- (b) Such copy(s) and list(s) shall be provided to CLR within five (5) working days of such an Agreement(s) being signed by the Employer, or, in the event such an Agreement(s) currently exists, shall be provided to CLR within (5) working days of the Union signing this Agreement.
- (c) Articles 17.401(a) and (b), shall apply only to such other Agreements, (i.e. Standard, Industrial, Commercial, Institutional, Residential, Project, Enabling, or combination thereof, etc.) which, in whole or in part, govern the performance of work also covered by the terms of this Agreement.

17.402 Confirmation of Signatory Contractors

The Union shall provide to CLR, within five (5) working days of signing this Agreement, a list of all Employers signatory to this Agreement. Such list shall include each Employer's name, address and phone number, and shall consist of all Employers signatory to this Agreement, regardless of whether such Employers are themselves members of CLR. The Union shall also ensure that such list is kept up-to-date by providing to CLR, within five (5) working days of such signing, the name, address and phone number of any Employer who subsequently becomes signatory to this Agreement.

17.500 Savings Clause

17.501 If any Article or Section of this Agreement should be held invalid by operation of law or by a tribunal of competent jurisdiction, or if compliance with or enforcement of any Article or Section should be restrained by such tribunal, pending a final determination as to its validity, the remainder of this Agreement or the application of such Article or Section to persons or circumstances other than those as to which it has been held invalid, or as to which compliance with or enforcement of has been restrained, shall not be affected thereby.

17.502 In the event that any Article or Section is held invalid, or enforcement of, or compliance with which has been restrained in accordance with Article 17.501, the parties affected thereby shall enter into immediate collective bargaining negotiations upon the request of the Union for the purpose of arriving at a mutually satisfactory replacement for such Article or Section during the period of invalidity or restraint. If the parties do not agree on a mutually satisfactory replacement, they shall submit the dispute to the Grievance Procedure.

17.600 Enabling

17.601 The Union Business Manager, in conjunction with Employers signatory to this Agreement, may determine, on a "project by project" and/or "blanket enabling" basis, if special dispensation is required to become competitive, and should the necessity arise, may, by mutual agreement, and in writing, amend or delete any terms or conditions of this Agreement for the duration of the project(s).

17.602 Joint Industry Funds negotiated between the BCBCBTU and CLR (e.g. Rehabilitation Fund, etc.), and/or individual dues to umbrella organizations, shall not be subject to reduction and/or elimination via enabling without the prior written consent of the BCBCBTU and CLR.

17.700 Registration

A copy of this Agreement shall be filed with the Minister of Labour and with the LRB.

ARTICLE 18.000 – MANAGEMENT RIGHTS AND RESPONSIBILITIES

18.100 Management Rights

The Employer has the right to operate and manage their business in all respects subject only to the limitations expressly stated in this Agreement. The Employer shall abide by all pertinent federal, provincial and municipal/local government legislation, regulations, bylaws, policies, procedures, etc., including but not limited to, the Canada Revenue Agency, Employment Insurance Act, Workers Compensation Board of British Columbia (dba WorkSafeBC), municipal business licensing bylaws, etc.

18.200 Management Responsibilities

18.201 The Employer shall apply the provisions of the Mason Tenders Standard Industrial Agreement, on a project by project basis, in a manner that is consistent with such Employer's application of the comparable provisions of the Bricklayers Standard Industrial Agreement. The intent of the foregoing is that an Employer shall not discriminate between the standard of treatment provided to a Mason Tender and the standard of treatment provided to a Bricklayer, where the provisions contained within the respective collective agreements are comparable.

18.202 For example...

- (a) If all Bricklayers on a project are being paid one dollar (\$1.00) per hour more than the minimum, than all Mason Tenders shall be treated likewise because the provisions in both Agreements are comparable (i.e. premium over the minimum rate).
- (b) If the Bricklayers Agreement requires an employee deduction for monthly dues, but the Mason Tenders Agreement does not, the terms of the Mason Tenders Agreement shall prevail because the provisions in both Agreements are not comparable (i.e. the Bricklayers Agreement clearly provides for something different).
