Representatives of the Union and the Employer (not exceeding three (3) each) shall meet for discussion of the grievance within seven (7) working days following the presentation. The Association may designate a person to attend the discussions; and if appointed and present on the site, the Business Agent and an Industrial Relations Coordinator shall be notified and may attend. Failing settlement of the grievance, the decision of the party presenting the grievance shall be given in written form within seven (7) days after such meeting. Failing the convening of a meeting within the time period or failing a satisfactory settlement of the grievance, a Notice to arbitrate may be given by the party presenting the grievance within seven (7) days after the expiration of such period.

18.5 The Union may intervene at STEP ONE of an Employee grievance and thereafter process the grievance in accordance with the applicable provisions and procedures. The Saint John Construction Association, through its Labour Relations Chairman, may convene or designate a person to convene a meeting for which provision is made in Clause 18.4. The Association may intervene in a grievance in Clause 18.4 and thereafter process the grievance in accordance with the applicable provisions and procedures. The Union or Association may initiate a grievance within Clause 18.4 as a grievance between the parties and the applicable provisions and procedures shall apply.

18.6 Failing the settlement of a grievance in accordance with the above provisions, the grievance within the time provided shall be subject to arbitration in accordance with the following rules:

(1) The following persons are agreed upon as Arbitrators under the terms of this Agreement.

1. Robert Breen
2. George Filliter
3. Douglas Stanley
- 4.

(2) The party initiating the grievance shall file the grievance with the arbitrator first named above, and if that Arbitrator is not available or unable to serve for any reason, the grievance shall be filed with the Arbitrator second or next named above. The Arbitrator shall hold a hearing within four (4) days after the grievance is submitted to him and shall render his decision to the parties within seventy-two (72) hours after the completion of the hearing provided that a failure to make an award within the time prescribed or as extended by the parties shall not invalidate the proceedings or terminate the authority of the arbitrator.

18.7 It is understood and agreed in the application of this Article that there is no power in the participants to a settlement to add to, subtract from, or modify the terms of this Agreement. The sole function of an arbitrator shall be to interpret the meaning of the Article of this Agreement and to render a decision, which shall be binding on the parties. The arbitrator shall have no power to add to, subtract from, or modify the terms of this Agreement.

18.8 Where an Employee has been discharged or disciplined unjustly or unreasonably, the Employee shall be reinstated and shall receive compensation in the amount he would have earned had he been working or in such amount as is just and reasonable in the circumstances. If an arbitrator determines that an Employee has been discharged or

otherwise disciplined for cause, the arbitrator may substitute such other penalty for the discharge or

discipline as to the arbitration seems just and reasonable in all the circumstances; the burden of establishing that a different penalty should be imposed shall be on the Employee concerned. The arbitrator shall have no power to vary a suspension of five (5) working days or less imposed for cause, and no power to vary a discharge where the Employee concerned has been the subject of two or more onsite suspensions prior to the incident culminating in the discharge.

18.9 It is understood and agreed that an Employee presenting a grievance or an Employee whose presence is required in the settlement of a grievance, may, after satisfactory arrangements made with his immediate supervisor, be given time off without deduction of pay to participate in the presentation of a grievance to the extent that his presence is required during the presentation.

18.10 The times fixed by this Article are mandatory but may be extended by mutual agreement in writing. If a grievance or arbitration is not processed within the time allowed, the grievance or arbitration shall be deemed to have been abandoned. Saturdays, Sundays and holidays shall be excluded in computing the time allowed.

18.11 The cost of each arbitration shall be borne equally by the parties thereto. The Employer agrees where arbitration arises as a result of a grievance with regards to Health and Welfare, Masonry Promotion or Union Dues; the Party which loses the arbitration shall pay all costs.
