**PURPOSE:**

The purpose of this Agreement is to establish terms and conditions of employment. Where there is a conflict between the terms of this Appendix and the body of the Agreement, the Appendix shall apply.

**DISCRIMINATION:**

The Union agrees that membership will be granted to all employees under the same terms and conditions that prevail within this Agreement.

The parties agree that there will be no discrimination against any person because of sex, race, creed, colour, nationality, ancestry, place of origin, marital status, or age.

The employer shall not discriminate against any employee by reason of their membership in the Union and/or their participation in its lawful activity.

A special rate of wages may be established by a committee of the Union and employer for an employee who is handicapped.

**UNION SECURITY:**

The employer may hire and/or transfer employees who are Union members in good standing regardless of their place of permanent residence. On Cape Breton Island, the employer can name hire one (1) worker in every three (3) requested. The employer agreed to apply to the Union having proper jurisdiction over the work involved when employees are required in accordance with the above ratio. If the Union cannot supply employees, the employer may employ other employees who are willing and eligible to become members of the Union within one (1) month. There shall be a form known as "Work Referral Slip". This is to be issued by the Local Union for employees when they have secured a job through the Local Union office. The Union shall fax a Referral Slip to the employers office within forty-eight (48) hours of the commencement of employment. Employers may only hire those employees who tender a Work Referral Slip before commencing employment. The employer shall retain the right to reject any applicant referred by the Union and, furthermore, the employer shall have the right to determine the competency and qualifications of such applicant.

If after a period of forty-eight (48) hours, excluding Saturdays, Sundays and holidays as contained herein, the Union is unable to supply the quantity of competent, qualified workers as requested, the employer may procure such workers elsewhere.

The employer may recall through the Union:

- (a) Employees previously on employer's payroll for six (6) months, recall period shall be thirty (30) working days from termination date;

“5 year employees” shall be recalled before new employees are referred from the hall.

“5 year employees” shall be the last to be laid off.

The employer will hire a fair ratio of Apprentices to Journeypersons in each year of the Apprentices' classification.

Sub-contractors working under this Agreement who are not signatory to this Agreement shall notify the appropriate Union, before commencing work on the job of the names of the workers to be employed on the job. The employer agrees to advise the sub-contractor of this requirement prior to the commencement of their work.

The employer agrees that it will stipulate as a term or condition for letting any contract for work on the project (job site) during its construction that the proposed sub- contractor shall observe the provisions of this Collective Agreement as if the same were duly executed by such sub- contractor.

The employer agrees to have any such sub-contractor acknowledge in writing that it has notice of this Agreement and that it will abide by the Agreement.

The employer agrees to deduct weekly the amount certified by the Union as Dues.

Should the employee be newly joining the Union, the employer agrees, when authorized by the employee on the proper form, to make deductions for the Initiation Fee in the amount certified by the Union.

The amounts so deducted shall be remitted by the employer to the Union at the address on file within the tenth (10<sup>th</sup>) day of the month following, together with a list of all employees and Social Insurance Numbers on whose behalf such deductions have been made.

The Union shall indemnify and save the employer harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken or not taken by the employer for the purpose of complying with any of the provisions of this section, or in reliance on any list, notice of assignment furnished under any of such provisions.

The employer agrees that employees employed within categories covered by terms of this Collective Agreement shall be required, as a condition of continued employment, to become and remain a member of the appropriate Union within thirty (30) days after the date of hiring or the date of signing of this Agreement.

An apprentice attending school under the terms and conditions of their apprenticeship shall not be laid off or terminated from the job while attending school, as long as work is still available. The contractor may use a substitute apprentice until the apprentice attending school has attended their studies.

**RE-OPENER:**

Recognizing that future developments may be such as to make changes in the terms and conditions of employment desirable, the Parties intend that each and every term and condition contained in this Collective Agreement between Insulator 116 and the CLRA may be amended upon the agreement of Insulator 116 and the CLRA.

**ENABLING:**

Where a particular article or articles of this Collective Agreement is/are found to work a hardship for a particular project, the terms and conditions in this Agreement for that project may be modified by mutual consent, of the Union and the CLRA, when they deem it prudent. It is understood and agreed that where mutual agreement for such change cannot be achieved, the request shall not be subject to either grievance or arbitration. The Parties agree that they shall meet in joint conference no later than thirty (30) days after the ratification of this Agreement to discuss means of enabling and procedures to be followed.
