- 2.04 No person shall be refused employment or Union membership because of his or her sex, race, colour, creed, age or national origin. The Union and the Employer agree that it is the right of every Employee to work in an environment free from sexual harassment and discrimination.

ARTICLE 3 – PROVINCE WIDE MOBILITY

- 3.01 Employers have full mobility of manpower throughout the Province of Ontario. The Employer will pay members travelling outside the geographic jurisdiction of their Local Union the rates applicable to their Local Union or the rates applicable in the geographic jurisdiction where the work is being performed, whichever is higher.

In addition, the defaulting Employer shall be liable to pay and agrees to pay interest at the rate of one and a half per cent (1 1/2%) per month on any unpaid arrears including the liquidated damages specified herein.

14.06 All money to be contributed according to Articles 4, 5, 13, 27, 28, 30, 31 of the Master Agreement shall be considered a Trust Fund in the hands of the Employer until the money is paid to the Administrator.

14.07 Non-payment in accordance with the foregoing provision shall not relieve the Employer of the obligation to pay and the Employer agrees that the Trustee shall have authority and capacity to take any action required at law to enforce payment of all such sums as may be due and unpaid.

14.08 Where the Board of Trustees or both Executive Committee Trustees determine that an Employer has failed to remit contributions and deductions in accordance with clause 14.01, or has failed to remit the contributions and deductions within the specified time, such Employer shall forthwith upon written demand from the Board of Trustees, both Executive Committee Trustees or their appointed representative:

14.09 It is agreed that failure of the Employer to remit contributions and deductions within the twenty (20) calendar days as specified in Clause 14.01 may result in all Employees being removed by the Union from any work being performed by such Employer without this being in violation of the Agreement on the part of the Union.

It is further agreed the Union shall not supply any additional or replacement Employees to such Employer so long as the said Employer remains delinquent.

14.10 The Union and Association shall have equal representation (three (3) Trustees each) to administer the International Union of Painters and Allied Trades, Province of Ontario Benefit Plan Trust (Health and Welfare, Pension and Vacation Pay Trust Funds). Association Trustees shall be appointed by Architectural Glass and Metal Contractors Association and Glazier Trustees shall be appointed by the International Union of Painters and Allied Trades. 14.11 The Board of Trustees of the International Union of Painters and Allied Trades, Province of Ontario Pension Plan Trust Fund, in accordance with the October 4, 1994 Agreement and Declaration of Trust, as amended, have proposed a resolution to amend the Agreement so as to have that Fund administered by a Board of Trustees composed of sixteen (16) Trustees, half of which will be appointed by the President of the Ontario Council of the International Union of Painters and Allied Trades, two (2) of which will be appointed by the Architectural Glass and Metal Contractors Association and the remainder appointed by the Interior Systems Contractors Association and the Acoustical Association of Ontario. AGMCA supported that resolution. Further, interest has been expressed to likewise amend the Health and Welfare Trust Fund and Vacation Pay Trust Fund October 4, 1994 Agreement and Declaration of Trusts so as to have those Funds administered by a Board of Trustees composed of sixteen (16) Trustees appointed as stated above. Currently, AGMCA is supportive.

Such reports will include all information relative to the monthly hours and contributions of funds required by the Collective Agreements.

ARTICLE 15 - PIECE WORK, MOONLIGHTING AND SUB-CONTRACTING

15.01 All members of the Union expressly agree not to accept employment from any individual firm, co-partnership or corporation unless signatory to this Agreement, and complying with all the requirements of this Agreement, except where pre-authorized or directed by the Union, for not more than sixty (60) days, for the purpose of organizing or certification.

- (b) The Employer(s) on the list provided by the Union can perform the work otherwise being sub-contracted economically and qualitatively satisfactory to the Employer responsible for the work.

Notwithstanding Clause 15.02, paragraphs three (3) and four (4), Employers agree to use caulking companies or members registered as caulkers, or IUPAT members, or will attempt to find caulking companies signatory to a recognized building trades union, or the Employer may use someone from the outside for the purpose of caulking only.

If the Employer engages a caulking company from outside the unionized industry for the purpose of caulking only, the Employer must report all caulking hours worked and remit Province of Ontario Pension Trust Fund, IUPAT Union and Industry Pension Plan (Canada), and Province of Ontario Health and Welfare Trust Fund contributions in accordance with Article 14, Payments to Trust Funds, Administration Dues and Union Dues. The Employer will advise the Union when the caulker(s) will be on site and their name(s).

When a signatory subcontractor is employed by a signatory glazing contractor, the subcontractor shall, prior to and following completion of each contract, request from the Union and/or the Benefit Plan Administrator, written confirmation the subcontractor is current on its' Fund obligations and in good standing with the Union. Such written confirmation is to be received within five (5) working days of receipt of the request and forwarded to the glazing contractor immediately upon receipt.

ARTICLE 15 - PIECE WORK, MOONLIGHTING AND SUB-CONTRACTING (Continued)

15.03 The Union agrees to take all reasonable steps to enforce compliance with the provisions of Article 15, especially Clauses 15.01, 15.02, and 15.05.

Where the Union receives notice of a situation where there is an existing breach of any of the provisions of Article 15, it shall forthwith commence and thereafter diligently prosecute the appropriate steps under the appropriate grievance and arbitration provisions or under its own constitution.

15.04 If the Union grants any signatory Employer any terms or conditions different from those in this Collective Agreement, such terms and conditions shall be available to all Employers. The Union shall promptly advise AGMCA within two (2) business days of any such arrangements. The Union agrees to provide AGMCA with a copy of any Agreements signed to the Union with companies performing work under the Scope (Article 7) of this Collective Agreement.

15.05 Any member of the Union violating any of these Clauses shall immediately lose his/her membership in the Union and all rights of Union membership, including his/her rights under any Trust Funds.

15.06 No member of the Union shall work on a piece work or fixed basis.

15.07 The Employee, during his/her spare time, shall not perform work for remuneration that falls under the scope of the ICI Agreement, which is normally performed for his/her Employer.

ARTICLE 16 – HEALTH AND SAFETY

16.01 The Employer will make reasonable provisions for the safety and health of its Employees during working hours and the Union employee agrees to co-operate with the Employer in maintaining proper observation of all safety and health rules. The parties shall observe the provisions of Ontario's Workplace Safety and Insurance Act (1997).

16.02 It is the responsibility of the Employee to ensure that he/she possesses proof of having successfully completed all current and relevant Health and Safety training requirements in accordance with the Ontario Workplace Safety and Insurance Act (WSIA) (1997) as amended and Ontario Occupational Health and Safety Act (OHSA) (2009) as amended.

16.03 To ensure the Industry has properly trained and documented Health and Safety Training for its' workforce, whenever possible, Health and Safety Training requirements will be provided and/or sanctioned by the Finishing Trades Institute (FTI).

- (A) Where, due to the nature of the work, the Employer/Contractor requests members with a valid Drivers License, only members possessing this qualification will be name hired and/or referred. The Union agrees to take all reasonable due diligence to only refer members with a valid Drivers License to the Employers/Contractors. Where members are referred by the Union to an Employer/Contractor for employment and they do not possess a valid Drivers License, the Employers/Contractor can immediately send that member(s) back to the Union hire hall. It is also agreed that, as a condition of continued employment, where an Employer/Contractor determines a valid Drivers License is a necessary requirement of the job, members will maintain a valid Drivers License. It is agreed that the Employer/Contractor may ask members to produce a valid Drivers License, if they have a just or reasonable reason to believe the member(s) does not possess a valid Drivers License.

- (B) Where, due to the nature of the Health and Safety requirements of all construction projects in the Province of Ontario, an Employer/Contractor requests members with current and relevant Health and Safety Training, the Union agrees to use due diligence to only refer members who have the required current Health and Safety Training. It is agreed that all members will remain current with all Health and Safety Training as required by the Ministry of Labour. It is also agreed that the Employers/Contractors, where they have just or reasonable cause to believe members are not current in their Health and Safety Training, may request to produce proof of the required Health and Safety Training.

LETTER OF INTENT

between

**The Architectural Glass and Metal
Contractors Association**

and

**The International Union
of Painters and Allied Trades
and the Ontario Council of the
International Union of
Painters and Allied Trades**

The IUPAT endorses, encourages and welcome full and equal glazier participation and representation in the FTTF (Finishing Trades Trust Fund) and the FTI (Finishing Trades Institute) training centre(s). The IUPAT recognizes that both FTTF and the FTI training centre(s) play an important role in the skills training of both the Glazing and Painting trades. It is therefore the position of the IUPAT that representatives of both trades (management and union) should equally and fairly be involved in the FTTF and the FTI training centre(s).

To this end, the IUPAT undertakes to do everything feasible in its power to bring about the fair and equal participation of both the Glaziers and the Painters in the FTTF and the FTI training centre(s). Such undertaking includes, but is not limited to, attempting to achieve the following objectives:

1. Full and equal participation and representation of Glazier and Painter trustees on the FTTF, both Union and Management.
2. Glazier representation (both management and union) to have an opportunity to propose amendments to the existing trust document to address any concerns and bring the Agreement and Declaration of Trust in concurrence with the letter and intent of IUPAT/AGMCA discussions, so long as any such amendments apply equally to both Glazier and Painter trades/training (i.e., no preferential treatment or advantage is to be afforded to either trade.
3. Employer contribution remittances going into the FTTF are to be clearly separated and segregated between Glazier contributions and Painter contributions. Glazier contributions are to be used solely for Glazier training and cannot be used for Painter training (and vice versa with respect to Painter contributions).
4. Current and existing assets/liabilities of the FTTF and FTI training centre(s), as at March 31, 2013, to be segregated and assigned, as can best be reasonably done, between assets/liabilities of Glazier training and assets/liabilities of Painter training, as a starting point.
5. Sharing of authority, responsibility and common costs of FTI and FTI training centre(s) to be shared equally between the Glaziers and Painters in accordance with a definitively defined Shared Services Agreement developed and agreed between OGATC, FTI and "Painter OGATC". Sharing of costs limited solely to common areas of service delivery, such as certain Health and Safety training and common costs, such as administration staff and office expenses. Such Shared Services Agreement will be presented to FTTF Trustees for approval.

LETTER OF INTENT
(Continued)

6. OGATC, as set out in Article 31 of the Glaziers Collective Agreement, shall oversee and approve Apprenticeship Training and Priority Journeyperson Upgrading Programs of Glaziers. Equally, the Painters are to have a committee like OGATC (hereinafter "OPATC" for reference purposes only) to direct the needs and requirements of Painter training. Both OGATC and OPATC meet and operate independently of one another and neither has any say or influence over the affairs of the other.

7. Both OGATC and OPATC make recommendations, suggestions, etc., with respect to their respective trade's training to the FTI training director for implementation of their respective training directives. The FTI training director has the exact same obligations, disclosure requirements, etc. to both OGATC and OPATC. In other words, both OGATC and OPATC are treated equally and fairly in every way by the FTI and its training director.

8. Once such recommendations or suggestions are made to FTI and its training director, the training director reports to the FTTF Trustees for approval and implementation of such recommendations/suggestions with respect to training directives of OGATC and OPATC. The FTTF Trustees, as representatives of both trades, recognize and acknowledge that OGATC and OPATC are the respective "experts" for directing training in their trades. As such the Trustees, while maintaining their fiduciary duties over the trusted funds, seek to approve and implement the directives of OGATC and OPATC as brought forward by the FTI training director.

9. Considering the importance of this to both Membership and the Employers, time is of the essence. Therefore, every effort will be made to develop the Shared Services Agreement and segregate and assign assets/liabilities by December 31, 2013. Building on the trust developed and the demonstrated ability of the parties to work together on these initiatives, it would be desirable to develop an agreed Agreement and Declaration of Trust by June 30, 2020. Under no circumstances will discussion of this initiative continue beyond December 31, 2020.
