## TELL CANDIDATES TO SUPPORT OUR ISSUES

### HAMMER HOME OUR KEY ASKS

- Enhanced EI and supports for workers impacted by Trump's Tariffs
- Faster approvals and investment in trade and energy infrastructure
- Keep the Investment Tax Credits and the union prevailing wages and benefits
- Make union prevailing wages and benefits a requirement on all taxpayer projects
- Restore and expand the grants and supports for apprentices
- Prioritize 'brick and mortar' funding for our union training centres
- Reform the Temporary Foreign Worker Program and end wage suppression

Visit our election action centre for more info and tools!

### SHARE YOUR STORY!

Sharing your experiences in the building trades with apprenticeship, wages, working conditions, and the support your union needs will resonate with your neighbours and family members.

Urge them to help put pressure on candidates to support policies that help unionized building trades workers!
